

Horses for Handicapped (HFH) will run from 9:00 am to 11:30 am March 25-28, 2024 at the Rankin County Multi Purpose Pavilion Horse Park. The Pavilion is located at 649 Marquette Rd, Brandon, MS 39042.

Over 1900 children and adults with mental or physical disabilities will enjoy horseback riding, wagon rides, games and a petting zoo. In its 40th year this all volunteer program has participants and volunteers from across the state.

Approximately 250 outstanding volunteers come each day and generously give their time. We have students from junior highs, high schools and colleges, plus individual volunteers. We are so thank- ful to those individuals who bring their horses and we have from 5 to 6 wagon teams.

NOTE: For media visiting the event, please do not photograph or video any participants identified by a RED TAG.

HFH is a 501 (c)3 Non-Profit organization.
